This is a list of BR Standard Class 9F steam locomotives that survive in preservation. Nine 9F locomotives avoided being scrapped at the end of steam traction on British Railways. Seven locomotives were obtained from Woodham Brothers scrapyard in Barry, Vale of Glamorgan, South Wales. The other two were preserved upon withdrawal, with 92220 Evening Star reserved for the National Collection, and ...

Steam locomotives of the 21st century fall into two broad categories: those that use advanced steam technology and are designed to be commercially competitive with diesel locomotives; and those built to more traditional designs for hauling tourist trains. Even locomotives in the second case likely use some modern methods and materials. These include welded boilers, to simplify construction, and ...
