IMPORTANT: In January of every year, the iaedp Certification Committee introduces updates or revisions to the certification process to maintain the integrity and high standards upon which iaedp Certification stands. These revised forms are mandatory for the Certification Committee review process. Please make sure you are using the most up-to-date forms prior to submitting your application(s).

### **Certification Overview - iaedp**

A medical scribe is a person, or paraprofessional, who specializes in charting physician-patient encounters in real time, such as during medical examinations. Depending on which area of practice the scribe works in, the position may also be called clinical scribe, ER scribe or ED scribe (in the emergency department), or just scribe (when the context is implicit).

### **Medical scribe - Wikipedia**

Nursing credentials and certifications are the various credentials and certifications that a person must have to practice nursing legally. Nurses' postnominal letters (abbreviations listed after the name) reflect their credentials—that is, their achievements in nursing education, licensure, certification, and fellowship. The letters usually appear in the following order:
