Curriculum Requirements. The curricula below pertains to students who enrolled in college or have completed college coursework prior to Fall 2010

Curriculum Requirements - Florida A&M University

In cryptography, a certificate authority or certification authority (CA) is an entity that issues digital certificates. A digital certificate certifies the ownership of a public key by the named subject of the certificate. This allows others (relying parties) to rely upon signatures or on assertions made about the private key that corresponds to the certified public key.

Certificate authority - Wikipedia
