

### **literary journalism definition pdf**

Creative nonfiction (also known as literary nonfiction or narrative nonfiction or verfabula) is a genre of writing that uses literary styles and techniques to create factually accurate narratives. Creative nonfiction contrasts with other nonfiction, such as academic or technical writing or journalism, which is also rooted in accurate fact, but is not written to entertain based on writing style ...

Journalism refers to the production and distribution of reports on recent events. The word journalism applies to the occupation, as well as citizen journalists using methods of gathering information and utilizing literary techniques. Journalistic media include print, television, radio, Internet, and, in the past, newsreels. Concepts of the appropriate role for journalism vary between countries.

New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.
