There have been proposals to pedestrianise Oxford Street for many years, but until now nothing has

happened. This was partly because it was regarded as too difficult and partly because the City of Westminster (who own the road) opposed it, due to the traffic that would spill onto the surrounding streets. Deck the street The problem of mixing traffic and people in Oxford Street has been ...

Human resource management (HRM), the management of work and people towards desired ends, is a fundamental activity in any organization in which human beings are employed. It is not something whose existence needs to be elaborately justified: HRM is an inevitable consequence of starting and growing an organization. This article focuses on the scope of HRM and its major subfields.
