**PUTTING WOMEN FIRST - who.int**

Third gender or third sex is a concept in which individuals are categorized, either by themselves or by society, as neither man nor woman. It is also a social category present in societies that recognize three or more genders. The term third is usually understood to mean "other"; some anthropologists and sociologists have described fourth, fifth, and "some" genders.

Women in Buddhism is a topic that can be approached from varied perspectives including those of theology, history, anthropology and feminism. Topical interests include the theological status of women, the treatment of women in Buddhist societies at home and in public, the history of women in Buddhism, and a comparison of the experiences of women across different forms of Buddhism.
